#### **Why join the DRA ???**

Since the recent cessation of activities of the Dullstroom Chamber of Business, the Dullstroom Ratepayers Association is the ONLY organisation formally representing the Dullstroom and Sakhelwe community. We are continually engaged with the local municipality in resolving local issues as disparate as filling in potholes, water quality, rates and services and virtually everything else affecting our daily lives. We also endeavour to advise members via SMS of known/planned electrical outages of which we are notified by Eskom as well as any interruption to municipal services.

We offer advice to members who have queries regarding their municipal rates and services accounts and suggest the best way of resolving these and other issues.
